

PREFERRED PARTNER PROGRAM (P3)

CUSTOMER OVERVIEW

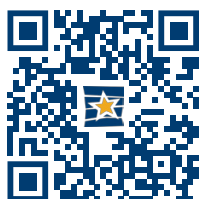

WHAT IS THE PREFERRED PARTNER PROGRAM (P3)?

At its foundation, P3 is a loyalty program designed to help you earn a monthly rebate by shifting parts purchases you are already making. Each month, you can receive a credit equivalent to your Commodore monthly payment on your parts account for the equipment you have financed.

HOW DOES IT WORK?

- First, you'll work with your NAPA rep to set a parts purchase goal.
- On months you hit the purchase goal, a credit that is equivalent to your Commodore monthly payment will be credited to your NAPA parts account.
- Even on months where the purchase goal is not reached, you can try again next month.
- To enroll, your NAPA rep will submit the completed P3 form on your behalf.

EXAMPLE: HOW TO CALCULATE P3
